

Monday 21st September 2026

Dear Parent/Carer,

Re: Home Learning- from Monday 28th September 2026

To support student progress and develop valuable skills for the future, Lighthouse School, Leeds will be launching **home learning** to all students from **Monday 28th September 2026**.

Home learning will be set via a dedicated page on the school website (see the link below) This page on the school website will contain links to your child's classes and year groups where there will be a menu of options to choose from. The choices will provide students with an opportunity to practice and reinforce work completed in lessons. Students can complete as many or as few of the activities as they choose.

Link to home learning page on the school website: [Lighthouse School - Home Learning](#)

The home learning menu will be available for 2 weeks before it is replaced by a further range of activities to choose from. There are no specific submission deadlines. Students can choose to submit their work at any point throughout the 2-week window.

Students will receive positive points for handing in home learning which will count towards rewards at the end of each term. Work can be handed to form coaches or, if students prefer to submit work electronically, can be e-mailed to homelearning@lighthouseschool.co.uk. There will be no sanctions for not handing in homework. We are expecting that with your support and positive rewards from school there will be an incentive for all students to engage in home learning.

We hope that students will see the value of doing work outside of lessons, as this will prepare them well for the challenges of KS4/5 and life beyond Lighthouse School, Leeds.

As always, we welcome any feedback you might have. Please feel free to contact the school office on 0113 4570605 or e-mail: [admin @lighthouseschool.co.uk](mailto:admin@lighthouseschool.co.uk) if you have any questions.

Kind regards,

Karl Robottom
Assistant Principal - Teaching & Learning
