- What does the PTA do?
- Who is involved?
- How you can get involved.

What is a PTA?

A PTA is a committee that brings together parents and staff to raise funds and strengthen the school community. Money raised is spent on items for the benefit of the students and the school that the school budget does not cover.

We need you!

To enable the Lighthouse School, Leeds PTA to continue to raise funds for the school, we are looking for new parent members who can strengthen the team, bring new ideas and contacts, help with fundraising events and bring a parental voice to meetings. This is a great way to make

new friends and get to know your child's school more by raising much needed funds for the school

community. All of these things help you grow in confidence as a parent and it feels good to know you are making a difference for your children and for future students at Lighthouse School, Leeds.

What will be expected of me?

There is no expectation on any parent or carer volunteer. Any amount of time you can give to the PTA will always be well received.

There are a variety of ways you can get involved, from attending PTA Meetings, engaging with social media activity, and volunteering to support events.

Parents and carers can come to meetings to just listen and learn, or they can take a more active role if they want to, there are no set expectations.

Please note that there will be no obligation to become a member of the Committee, but we do need new members to enable the Committee to keep going and to continue to raise additional funds for our wonderful school.

I do hope you can join our first meeting to find out more. Please complete this [FORM](#) by Monday 19th October 2026 if you can make the PTA meeting, or would like to be involved in the PTA, but are unable to make the meeting.

Kind regards,

Helen Manyanya
Principal
