<td><u>English</u>

Letter to Your Future Self
Write a letter to yourself five years in the future. What hopes, goals, questions or advice would you include?
Challenge
Predict three things that may have changed in your life.
Include advice that your future self could genuinely use.
Success Criteria
Use an appropriate letter format
Write thoughtfully
Include personal reflections</td>
<td><u>Maths</u>

Create a Number Pattern
Design your own number sequence.
Examples:
Add 4 each time
Double then subtract 1
Alternate rules
Challenge
Can you create a sequence that has more than one possible pattern?
Success Criteria
Include 10 terms
Explain the rule
Challenge someone to continue it</td>
</tr>
<tr>
<td><u>Science</u>

The Human Body Investigation
Choose one body system: digestive, skeletal, muscular, respiratory or circulatory. Crete a fact fie.
Challenge
Explain what happens if part of the system stops working.
Explain how your chosen system works with another body system.
Success Criteria
Explain the system’s job
Identify key organs
Use scientific vocabulary</td>
<td><u>Humanities</u>

A World Without Maps (Geography)
Imagine maps suddenly disappeared. How would this affect everyday life?
Challenge
Suggest alternative ways people could navigate.
Decide who would be most affected and explain why.
Success Criteria
Consider different impacts
Explain your ideas clearly
Use geographical thinking</td>
</tr>
